BOOK SYNOPSIS

Blueprints Pocket Pediatric ICU is designed as a quick read for students on rotation and others who want to know more about the specialty. Pocket-sized and practical, the text covers the clinical topics a student would most likely encounter during an elective rotation and also provides the basic knowledge needed before USMLE Steps 2 and 3 in an organized, easy-to-read outline format. The book also features appendices on opportunities in pediatric critical care, a question and answer review, and suggested additional reading. Blueprints Pocket Pediatric ICU is perfect for medical students. Physician assistants, nurse practitioners, and related health professionals will also find the book valuable.
