## BOOK SYNOPSIS

"Language Assessment" provides teachers with a clear presentation of the essentials for assessing second language learning fairly and effectively. This updated second edition includes new research and information on standardized tests, a new chapter on form-focused assessment, and a concise glossary of terms. With a focus on the most common pedagogical challenge - classroom-based assessment - "Language Assessment" delivers useful tools for evaluating and designing practical, effective assessment techniques. Features: Updated references and new information reflecting recent advances and current challenges in the field. Classification of assessment techniques ranging from controlled to open-ended item types on a specified continuum of micro- and macroskills of language. Systematic treatment of assessment for all four language skills (reading, writing, speaking, and listening) as well as grammar and vocabulary. Discussion of large-scale standardized tests, the ethics of testing, letter grading, and overall evaluation of student performance. Comprehensive presentation of alternatives in assessment, such as portfolios, journals, conferences, observations, interviews, and self- or peer-assessment. New Features Chapter objectives that preview content and goals A new chapter on form-focused assessment An appendix of commercially available tests A concise glossary of assessment terms

**LANGUAGE ASSESSMENT PRINCIPLES AND CLASSROOM PRACTICES 2ND EDITION** - Are you looking for Ebook Language Assessment Principles And Classroom Practices 2nd Edition ?
